

Every day, the YMCA of Greater Williamson County gives our community the support it needs to learn, grow and thrive. From advocacy to food security, disease prevention to athletics, football to dance classes, everything we do helps strengthen our neighborhood and the people who live here.

But keeping Greater Williamson County great is a full-time job. Every day, our community faces new challenges that create a greater need for the work we do. And we need your help to do it. Your gift can help our community and everyone in it shine.

For a better you. For a better community. For a better country.

GETTING BETTER EVERY DAY

YMCA GWC Mission Moment

The De La Cruz family has been part of the Y family for over 18 years. Their son had great success in the Y afterschool care programs while growing up. Even though their daughter Nora was born with a brain tumor, when it came time to send her to summer camp, they knew they could count on the Y to give her the care and attention she needed. After Nora's first day of camp, her family asked if she wanted to go back. Her reply was, "Dad, campers are tough. I want to go back tomorrow."

After working for 17 years at a local company, the De La Cruz family found itself in hard times and without employment. For the first time ever, they didn't know how they would be able to send Nora to summer camp.

The De La Cruz family immediately went to the association camp executive director Doug Grimm about their predicament. Without hesitating, Doug told them, "Nora will be at camp this year, that's what we are all about—the Y can be counted on in times of need."

Nora was able to get the assistance she needed and attended summer camp. The De La Cruz family is just one of the many local families who have been impacted by donors like you. Together with the Y, you can make a lasting impact in the lives of people in our community.

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, responsibility and faith.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
